Nina said you were in the office today and thought you might be able to do me a favor and print out this CD and mail it to me. She said the mailroom is open, but you have to walk it down. She's concerned that I won't have a hard copy for my meeting with CRW. Can you tell me if this is something you might have time for? Also, if it's too much of a pain, no worries. I'll look at it online, but it is kind of hard without a second monitor. And if the answer is yes, I will pay you back in lip balm!

Thanks and LMK,
